**PETITIONING THE COURT**

[ ] To issue a summons

The probation officer believes that the defendant has violated the following condition(s) of release:

Violation Number

Nature of Noncompliance

Additional condition:  
7(p) Refrain from any  
use or unlawful  
possession of  
narcotic drug and  
other controlled  
substances.

On May 28, 2008, the defendant submitted a urine specimen which tested "presumptive" positive for cocaine. The defendant denied any use of the substance. The specimen was forwarded to the Scientific Testing Lab for confirmation. Confirmation was received on June 4, 2008, that the specimen was positive for cocaine. On June 10, 2008, I again questioned the defendant about his cocaine use which he continued to deny.

Additional condition:  
7(p) Refrain from any  
use or unlawful  
possession of  
narcotic drug and  
other controlled  
substances.

On July 11, 2008, the defendant submitted a urine specimen which tested positive for cocaine. The defendant admitted to having used cocaine on approximately July 4, 2008.

Additional condition: The defendant failed to report for drug testing on May 27, 2008, June 16, 2008 and July 15, 2008, without a valid excuse.

7(q) Submit to any method of testing required by the pretrial services officer or the supervising officer for determining whether the defendant is using a prohibited substance.

Additional condition: On July 21, 2008, a meeting was held with the defendant and Federal Public Defender Christine Freeman to discuss his violations. At that time, it was determined that the defendant is currently in need of substance abuse treatment. The probation office scheduled an appointment with the Chemical Addictions Program (CAP) for Thursday, July 24, 2008 at 2:00pm. The defendant was to be admitted into the inpatient treatment program. The defendant failed to report for treatment as instructed.

7(r) Participate in a program of inpatient or outpatient drug abuse therapy and counseling if deemed advisable by the pretrial services office or supervising officer.

Supervision history of defendant and actions taken by officer: On July 21, 2008, a meeting was held with the defendant and Federal Public Defender Christine Freeman to discuss his violations. At that time, it was determined that the defendant was in need of substance abuse treatment. Therefore, the probation office scheduled an appointment for the defendant to report for inpatient treatment at the Chemical Addictions Program, and then be placed in the Lighthouse of Tallapoosa County outpatient program. The defendant failed to report for drug treatment as scheduled. Therefore, the probation office is requesting that the defendant's pretrial release be revoked.
